SINGLE-USE INSTRUMENTS

Sterile and ready to use

Aqua Surgical offers a range of quality instruments in a single-use presentation, for medical professionals who prefer the convenience of instruments that are already sterilised. Our sterile single-use range complements our reusable instrument catalogues.

- Sterile, ready-to-use instruments.
- Supplied in easy-to-open, durable clear plastic pouches.
- Blue colour-coded handles for instant identification as single use.
- Available in packs of 10.
